Data Use Terms

How Technovation Uses Your Data
Please take a moment to read this before continuing registration. We have tried to make it very easy to understand. You can read our [full terms of use](#). Below is a summary.

Technovation Girls is owned by a non-profit organization called Technovation.

No advertising
We will never use, share, rent, or sell your personal data to anyone to advertise to you, or to manipulate you.

Your personal data
We will only use your data to help guide you through the Technovation Girls program, and to learn how we can make the program better and easier for everyone. We may share your personal data and activity with a trusted volunteer manager in your region - who has been trained through a proper verification process - in order for them to support you and your team during the program.

Newsletters and informational email
You can unsubscribe from our newsletters about the curriculum and program at any time. This is different from informational emails about your account and team activity, which you will continue to receive.

Deleting your account and data
You can delete your account and data, and get a copy of your data, at any time. Deleting your data will remove you from your team and our program.

Background Checks
Background Checks are reports of your work and legal history. In the United States all mentors are required to complete and pass a background check in order to be allowed and verified on our site.

In other countries and territories, we will randomly select mentors to provide references and legal certifications, and to submit to background checks where possible. If you are selected, we will contact you to complete the process. You must consent to this to be allowed and verified on our site.

Thank you for helping us keep our students safe.

The screenshot shows the Technovation Girls dashboard for a user named Skyler. The top navigation bar includes links for 'About', 'Curriculum', 'Take the 2026 pre-program survey', and a user profile for 'Skyler'. The main header area has the 'TECHNOVATION GIRLS' logo and a link to 'Meet your Ambassador'. Below this is a navigation menu with 'Dashboard' (selected), 'My Profile', and 'My Scores'. The dashboard is divided into two main sections: 'Parental Consent' and 'To-do'. The 'Parental Consent' section features a green box with the message 'Your parent/guardian has given you permission to compete in Technovation!' and a label 'Parent/guardian name' below it. A pink arrow points to this section. The 'To-do' section lists 'Build your team' and 'Parental consent' (marked as complete with a checkmark and dated 'Signed on Wed Aug 13 2025'). A pink arrow points to the 'Parental consent' item in the 'To-do' list.
